Murals

# Globally Connected, Locally Relevant

7,000+  
artworks readily available

500+  
artists in our global network

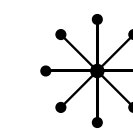

47%  
of artists are based in MENA

75%  
of artworks produced within MENA

Our 15,000 sqft warehouse complex is located in Dubai, where we oversee the entire art journey. We take pride in our extensive library of artists, ranging from talented individuals across the GCC to internationally acclaimed artists and creators.

We're not just a repository of art; we're gateway to bespoke solutions tailored to meet your unique needs. Whether you are seeking region-specific aesthetics that links to a local narrative or to a global perspective. We empower you to access high-quality, curated content that transcends boundaries and supports artisans. Discover the perfect blend of creativity and customization with our **art consultancy** and inhouse **production** and **installation** teams.

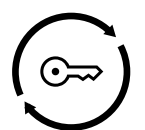

each sale directly  
supports the artist

# Project Highlights

# The Address Fujairah

## Fujairah, United Arab Emirates

Nestled in the Fujairah mountains this new addition to the Address Hotels family is a wonderful combination of modern elegance infused with local heritage. All of the artwork was aligned to the narrative of the hotel, with regional artists & local materials used all over the venue.

## Project Highlights

Scope: Art Consultancy, Art Production & Installation

33

commissioned artworks & installations

170

serviced apartments

196

keys & 10 villas

# ROVE Citywalk

## Dubai, United Arab Emirates

Situated opposite the iconic Coca Cola arena, the newest Rove Hotel needed to reflect the people and culture of the metropolitan city, Dubai. We wanted to create a space that displayed boldness, creativity, and a true passion for the city's music community.

## Project Highlights

Scope: Art Consultancy, Art Production & Installation

645

microphones 3D printed & suspended from the ceiling

24

original designs & installations

34

artists commissioned

# At.mosphere

## Dubai, United Arab Emirates

At one of the highest restaurants in the world, the reimagined At.mosphere Restaurant and Lounge sits 442 metres from the ground on the 122nd floor of the Burj Khalifa, and offers guests a true 360° view of Dubai.

## Project Highlights

Scope: Art Consultancy, Art Production & Installation

35m<sup>2</sup>

bespoke textured wallpaper

162

Art Deco themed accessories & antiques
